**In the Absence of Angels** By Elizabeth Glaser, Laura Palmer

In 1981, Elizabeth Glaser received blood transfusions following the birth of her daughter Ariel. Then, in 1986, two years after her second child, Jake, was born, tests showed that Ariel had AIDS, contracted through breast-feeding. Elizabeth and Jake tested HIV positive, and Glaser's husband Paul, of TV's Starsky and Hutch fame, is today free of the virus that killed Ariel at age seven. Well aware of the stigma of AIDS, the Glasers retreated behind a wall of secrecy to protect their family. Only when the National Enquirer threatened to invade that privacy, did the Glasers "go public". Despite the book's title, In the Absence of Angels is a heartwarming story filled with angels - generous, caring, imaginative people who listened and helped.

### **Editorial Review**

From Publishers Weekly

Glaser, infected with AIDS through a blood transfusion, passed it to her daughter via breastfeeding and to her unborn son. Following her daughter's death and her son's HIV-positive diagnosis, Glaser has become active in fund-raising for AIDS research and has founded the Pediatric AIDS Foundation. According to PW, Glaser "delivers a wrenching, detailed account of her family's tragedy." Photos.

From the Inside Flap

The Bookcassette® format is a special recording technique developed as a means of condensing the full, unabridged audio text of a book to record it on fewer tapes. In order to listen to these tapes, you will need a cassette player with balance control to adjust left/right speaker output. Special adaptors to allow these tapes to be played on any cassette player are available through the publisher or some US retail electronics stores.

### **Users Review**

**From reader reviews:**

**Paul Delatorre:**

The book In the Absence of Angels can give more knowledge and information about everything you want. So just why must we leave the best thing like a book In the Absence of Angels? Some of you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely right. Right now, try to closer with your book. Knowledge or info that you take for that, you may give for each other; you can share all of these. Book In the Absence of Angels has simple shape nevertheless, you know: it has great and large function for you. You can appear the enormous world by wide open and read a book. So it is very wonderful.

**Stacey Williams:**

Reading can called imagination hangout, why? Because if you find yourself reading a book mainly book entitled In the Absence of Angels your head will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely might be your mind friends. Imaging every single word written in a book then become one type conclusion and explanation in which maybe you never get prior to. The In the Absence of Angels giving you yet another experience more than blown away your brain but also giving you useful info for your better life within this era. So now let us demonstrate the relaxing pattern at this point is your body and mind will likely be pleased when you are finished studying it, like winning a. Do you want to try this extraordinary spending spare time activity?

**James Sanford:**

This In the Absence of Angels is great book for you because the content and that is full of information for you who have always deal with world and get to make decision every minute. That book reveal it data accurately using great organize word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but hard core information with lovely delivering sentences. Having In the Absence of Angels in your hand like having the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world within ten or fifteen minute right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

**Nancy Gump:**

That book can make you to feel relax. This book In the Absence of Angels was multi-colored and of course has pictures on the website. As we know that book In the Absence of Angels has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore not at all of book are generally make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that will.
