**Leer la pobreza (Spanish Edition)** By Daniel Noemi Voionmaa

La velocidad que busca esta escritura es la velocidad de la pobreza, la dromopenia. Porque esta velocidad es siempre múltiple, siempre cambiante. Muchas otras velocidades –globalizantes, postmodernas, postnacionales, multitudinarias, político-literarias– la territorializan y desterritorializan. Este ensayo recorre las velocidades de la pobreza, enfrentado y cruzando las otras, y al hacerlo se relaciona con el poder mismo. Este ensayo es uno de los más lúcidos estudios de principios del 2000 que se ha hecho a nuestra realidad a través de la literatura.
