Pheryllt: A Modern Guide to the First Systematizers of the Ancient Celts & The Pre-Druidic Religion (Book of Pheryllt) (Volume 1) By Joshua Free, Llywelyn Sion, Iolo Morganwg

“The Druids believed in books more ancient than the flood. They styled them the 'Books of Pheryllt' and the writings of Hu.” – Ignatius Donnelly, Atlantis Where the Druids are concerned, hundreds of years of diverse academic and philosophical debate await the Seeker on their look back. It is now even more controversial to speak of the Pheryllt in neodruid circles – supposed rings of open minds that remain closed in reality. For two decades a modern movement of neodruuids influenced by modern Pheryllt Druidism have become bystanders amidst the unbreakable schism. Alleged authorities on Druidry raise one hand screaming how these documents supporting an ancient Welsh Bardic Druid (and Pheryllt) tradition are a hoax, but with the other hand they borrow from these same sources for their own purposes. Many antiquated scholarly references to Books of Pheryllt and the Pheryllt themselves may be found by a diligent seeker – some of which are included or paraphrased within this very book. The authentic premise guiding the modern Pheryllt Druid tradition is the remaining works that do exist from the Welsh MS. Society and the continuing efforts of the National Welsh Eisteddfodd in preserving the Bardic tradition. In ancient Keltia, the Druid Order consisted of learned men, those educated in Bardic Arts: cosmology, native history, legendary history of heroes and spirituality, penal laws and punishments, geography, healing, botanical medicine, astronomy, astrology and magic. It is no wonder the Bard is viewed as transmitter or catalyst of awen, the essence, divine spark or spirit of inspiration that the Greeks termed gnosis. It is to the 'ebb and flow' of the 'awen field' that the poetic genius of Bards is attributed. “--So Ceridwen took to the crafts of the Book of Pheryllt to boil a cauldron of Awen.” – from the 'Hanes Taliesen', Peniarth MS We have been given little in classical literature or even antiquarian druidism to satisfy hunger for Pheryllt (pronounced FAIR-ee-llt or VAIR-ult) research, and even less to support an indepth critique of their founder, a figure named Pharaon - translated by some scholars to mean 'higher powers'. Perhaps it is 'Druid Craft' to call down 'higher powers' to conjure inspiration and magic – perhaps that is what Ceridwen is doing in the famous reference above. In either case, it has spawned an entire branch of modern druid methodology and a natural universalist philosophy even

if only in spirit.

Editorial Review

About the Author

Joshua Free is the founder of Mardukite Ministries (2008), an organization that has continued to grow phenomenally since, and the prolific author of many works including Arcanum, Book of Elven-Faerie, The Sorcerer's Handbook of Merlyn Stone, Necronomicon Anunnaki Bible, Sumerian Religion, Babylonian Myth & Magic, Draconomicon, and many others. In the 1990's he was the youngest initiate of the Order of Bards, Ovates and Druids in England until he left to independently pursue the origins of the Celtic Druids - resulting in the "Book of Elven-Faerie", now available in a collected works anthology with "Draconomicon" and "Druidry" titled: "The Druid Compleat" (2013). Joshua Free co-founded the Systemology division (Systemological Society) of the Mardukite Research Organization in the Spring of 2011 and authored the first four 'NexGen booklet' installments comprising "Systemology 1.0" (better known as Systemology-101), including "Human, More Than Human", "Systemology: Defragmentation", "Trans-Human Generations" and "The Games" -- all of which appear in "Awakening: Systemology-101." This work has since been complimented by the Systemology 2.0 materials released in 2013 as "Reality Engineering." Although usually best known for his Mesopotamian work emphasis on Sumerians, the Anunnaki and Babylonian Tradition for the "Mardukites", his work on the Dragon Legacy and modern Pheryllt Druid and Elven-Faerie tradition is also paramount. Recently, his writings even appeared in the third and final volume of the bestselling trilogy by Douglas Monroe, "The Deep teachings of Merlyn".

Users Review

From reader reviews:

Steven Simon:

Do you one of people who can't read pleasant if the sentence chained inside straightway, hold on guys this aren't like that.
