The Montaukett Indians of Eastern Long Island (The Iroquois and Their Neighbors) By John Strong

Although the Montaukett were among the first tribes to establish relations with the English in the seventeenth century, very little has been written about the evolution of their interaction with the settlers. John A. Strong, a noted authority on the Indians of Long Island, has written a concise history that focuses on issues of land tenure in the relations between the English and the Montaukett. Strong also explores cultural assimilation, political and social tensions, and patterns of economic dependency among the Montaukett.

Editorial Review

Review

"Perhaps no one is better qualified to write a history of the Montaukett Indians than John A. Strong. For nearly twenty years, his writings on the Algonquin people of Long island have filled an important void in our understanding of the Northeastern Woodlands."

About the Author

John A. Strong is professor emeritus of history at the Southampton College of Long Island University. He is the author of The Alogonquin Peoples of Long Island from Earliest Times to 1700, and his articles have appeared in Ethnohistory, American Indian Culture and Research Journal, The Encyclopedia of North American Indians, and The Encyclopedia of New York State.

Users Review

From reader reviews:

Steven Bemis:

What do you think of book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that?
