Editorial Review

Review

As a new wave of protest is spreading globally, this expanded reader offers us important tools to understand why and how social movements emerge, develop and influence politics and society. **Donatella Della Porta, European University Institute**

This timely reader provides not only a comprehensive introduction for undergraduates and postgraduates studying social movements but also a shrewd global perspective, combining the best of classical literature in the field and contemporary theoretical and methodological concerns... an excellent text for anyone interested in understanding social conflicts. **Olivier Fillieule, University of Lausanne Switzerland**

From the Back Cover

This third edition of the highly-successful *Social Movements Reader* builds on its selection of “classic” texts and core readings from recent decades with the latest research on contemporary movements in the US and around the world, including the Arab spring, Occupy, and the global justice movement.

With its unique blend of cases, concepts, and essential scholarship, the *Reader* addresses commonly asked questions about these and many other movements, including: Why do movements arise? Who joins them? Why do they use particular tactics? And what do movements accomplish?

Requiring no prior knowledge about social movements, this new edition combines the strengths of both a reader and a textbook, supplementing the most important and readable articles and book selections on social movements with definitions of key concepts, biographies of exemplary leaders, new developments in the field, and timelines of several ongoing social movements.

About the Author

Jeff Goodwin is Professor of Sociology at New York University. He is the author of *No Other Way Out: States and Revolutionary Movements, 1945-1991* (2001).

James M. Jasper is Professor of Sociology at the Graduate Center of the City University of New York. He has written many books, including *The Animal Rights Crusade* (1992) and *The Art of Moral Protest* (1997), and *Getting Your Way* (2006).

Together they have edited two previous editions of *The Social Movements Reader* (2003, 2009) *Passionate Politics* (2001) and *Contention in Context* (2012).

Users Review

From reader reviews:

Katie Phillips:

As people who live in often the modest era should be up-date about what going on or information even knowledge to make these individuals keep up with the era which is always change and make progress.
