## They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story By Ann Jones

"Unsparing, scathingly direct, and gut-wrenching."—Andrew Bacevich

"Jones writes with passion and clarity."—Marilyn Young

"Read this book."—Jonathan Shay

Ann Jones shows the dead, wounded, mutilated, brain-damaged, drug-addicted, suicidal, homicidal casualties of our distant wars, taking us on a stunning journey from the devastating moment an American soldier is first wounded in rural Afghanistan to the return home. Beautifully written by an empathetic and critical reporter who knows the price of war.

**Ann Jones** is a journalist, photographer, and the author of eight books of nonfiction.

### Editorial Review

#### Review

“Read this unsparing, scathingly direct, and gut-wrenching account — the war Washington doesn’t want you to see. Then see if you still believe that Americans ‘support the troops.’”—**Andrew J. Bacevich, author of *Breach of Trust: How Americans Failed Their Soldiers and Their Country***

“An indispensable book about America’s current wars and the multiple ways they continue to wound not only the soldiers but their families and indeed the country itself. Jones writes with passion and clarity about the tragedies other reporters avoid and evade.”—**Marilyn Young, author of *The Vietnam Wars, 1945–1990***

“For a decade, Jones, through her firsthand reporting of war and life on the ground in Afghanistan, has given us more of the reality of that conflict than any dozen of her well-connected colleagues in the established media, attuned as they have been to the cant and spin pouring out of official mouths. Now, she has turned her shrewd, wise, compassionate, reality-bound eye to some of the bitterest facts of all: the almost unimaginable suffering of the American soldiers wounded and otherwise impaired in the conflict. The result is a harrowing and compelling tale that is hard to bear but must be borne if we are understand the disaster this country unleashed in Afghanistan.” **Jonathan Schell author of *The Unconquerable World***

“This is a painful odyssey. Ann Jones’s superb writing makes it possible to take it in without sugar coating.... Read this book. You will be a wiser and better citizen.”—**Jonathan Shay, MD, PhD, author of *Odysseus in America: Combat Trauma and the Trials of Homecoming***

“Ann Jones' new book, *They Were Soldiers: How the Wounded Return from America's Wars -- The Untold Story*, is devastating, and almost incomprehensibly so when one considers that virtually all of the death and destruction in U.S. wars is on the other side. Statistically, what happens to U.S. troops is almost nothing. In human terms, it's overwhelming. Know a young person considering joining the military? Give them this book. Know a person not working to end war? Give them this book.”—**David Swanson**

### Users Review

#### From reader reviews:

##### **Lisa Jennings:**

The book They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story has a lot info on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. The author makes some research prior to write this book. That book very easy to read you can obtain the point easily after reading this article book.

##### **Emmaline Jett:**

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that

usually you could have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story, you can enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

**Michael Hansen:**

Your reading 6th sense will not betray you, why because this They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story e-book written by well-known writer who knows well how to make book which might be understand by anyone who also read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still skepticism They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story as good book not only by the cover but also from the content. This is one publication that can break don't judge book by its include, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

**James Rohrbach:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this They Were Soldiers: How the Wounded Return from America's Wars: The Untold Story can make you really feel more interested to read.
