World War II: The Definitive Visual Guide By Richard Holmes

This work presents the definitive visual history of the people, politics and events of the epic conflict that shaped the modern world, World War II. From the build-up of hostility in the years leading up to the war, through to the reverberations still felt in the aftermath, this is a compelling, accessible and immediate history of World War II. Discover how deep-seated local fears and hatreds escalated into one vast global conflict that was fought out to the bitter end. Find out about key battles, political and economic forces, individual leaders and technological advances that influenced the course of the war. Cross-referencing appears throughout and timelines and global maps establish an overview of each year of the conflict. Packed with images, including rarely seen colour photographs and unforgettable first person accounts, "World War II" is a uniquely accessible account of history's most devastating conflict.
