### Editorial Review

#### Review

"Monica does a fantastic job of showing her process and explaining how to transition from outline to beats to full-blown novel. Even though I'd been aware of how beats work, I didn't fully get it until this book, and **then went on to churn out a novel in 5 weeks instead of my usual 12 - 18 months.**"

~ Sable Jordan, author of the *Kizzie Baldwin* thriller series

"Even with these hacks and as a pantsner (a seat-of-the-pants writer who uses only a minimal outline) -- I'm hitting 2400 words per hour. **I've written over 20K words in about eight days**, and that with a day or two off."

~ Numinous Dreamer, an Amazon reviewer

"I've already begun putting some of these ideas into practice, and with very little effort have raised my writing speed dramatically... **After a little trial-and-error I'm already averaging at 1,500 words per hour**--which is a lot faster than before!"

~ Edison T. Crux, author of *The Enoc Tales* series

"Some great tips from Monica, and **every writer, no matter where on the journey, can learn something new.**"

~ Joanna Penn, *NYT* and *USA Today* bestselling author of thriller under J.F. Penn, author of *How To Market a Book* and founder of TheCreativePenn.com

"One of the best how-to-be-a-writer books I've read in the last year. **Worth 10 times the price.**"

~ Kevin Kruse, *NY Times* bestselling author, *Forbes* columnist and serial entrepreneur
