*They all think they can sleep their way to the top - blondes, brunettes and redheads. That is, until they meet me.*

*My name is DeVon Ricci and I'm an asshole. At least they all seem to think so. But I don't give a shit because they never last long. Two or three weeks tops, then they're gone. Not that it matters. There's always another talent waiting to take a seat on the casting couch, but I've yet to find what I'm looking for. I know what I want and I won't settle for less. I'm always chasing perfection.*

The embodiment of the American dream, DeVon Ricci had come to America from Italy when he was a teenager and then, with hard work and perseverance, had worked his way up in a cutthroat industry to emerge as the head of one of the top talent agencies in Los Angeles. Now it looks like he has everything he could ever want, except for the perfect woman.
