### Editorial Review

From the Author

After reading over 200 books on leadership, self help, coaching, and mentoring I finally put it all together in one book. *Deciding to Thrive*.

Every penny the book generates will be *donated to Children's Dyslexia Centers*. A charity I am quite passionate about. Studies show that about one in five have some form of dyslexia. I know we can make a difference.

I also think *Deciding to Thrive* will have a profoundly positive impact on those that read it. A transformation for some, from being stuck to being successful and happy. And for others, the path to a dream life.
