**Greek Billionaire's Forbidden Lover (The Rosso Family Series Book 2)** By Leslie North

Billionaire Greek playboy Dareios Anaganos has a way with women: he loves them, then he leaves them. But lately the one woman he can't keep his eyes off is the one he can never touch: his best friend's sister, Alexandra Rosso. He's known her since they were little, yet suddenly all he can see are her perfect curves and gorgeous smile.

Alexandra can't deny she's become fixated on Dareios' blazing blue eyes and killer body. The connection between them is palpable, and it's making things awkward. She needs to get Dareios out of her system, and what better way to do that than to have a fling. When sparks fly at a masquerade party, she's hoping he'll agree to take their attraction to the next level. It'll be their little secret...

Dareios would never betray his friend Antonio by disrespecting Alex—she deserves more than he has to offer. But if he gives in to temptation, can a fling ever become something more?
