Editorial Review

Review

"I found the definitions in the dictionary to be clearly written and easily understood. Overall the material is pertinent and concise, encompassing a wide variety of areas that occupational therapists deal with daily. I believe that this publication is a useful basic reference book for any therapist or student to own."

— Bev Franchuk, *Canadian Journal of Occupational Therapy*

"*Quick Reference Dictionary for Occupational Therapy* is certainly a helpful and valuable resource for all occupational therapy students and entry-level practitioners. Many will find it useful for the sole purpose of its comprehensive dictionary, while others will find the commonly used documents (e.g., stages, classifications, guidelines) most helpful to have on hand...This book provides a good reference for questions that arise during academics and throughout practice. This is an essential reference for all occupational therapy students."

- Rosanne DiZazzo-Miller, DrOT, OTRL, CDP, *Department of Health Sciences, Wayne State University, Detroit, MI, Activities, Adaptation, and Aging*

About the Author

Karen Jacobs, EdD, OTR/L, CPE, FAOTA, is a past president and vice president of the American Occupational Therapy Association and a 2005 recipient of a Fulbright Scholarship to the University of Akureyri in Akureyri, Iceland. Dr. Jacobs is a clinical professor and the program director of distance education post-professional programs in occupational therapy at Boston University, Boston, MA. She earned a doctoral degree at the University of Massachusetts, a Master of Science in occupational therapy at Boston University, and a Bachelor of Arts at Washington University in St. Louis, MO.

Dr. Jacobs' research examines the interface between the environment and human capabilities. In particular, she examines the individual factors and environmental demands associated with increased risk of functional limitations among populations of university and middle school-aged students, particularly in notebook computing and backpack use (<http://people.bu.edu/kjacobs/index.shtml>).

In addition to being an occupational therapist, Dr. Jacobs is also a certified professional ergonomist and the founding editor of the international journal *WORK: A Journal of Prevention, Assessment and Rehabilitation*.

Dr. Jacobs is a faculty-in-residence and lives in an apartment in one of the dormitories at Boston University. She is the mother of three children—Laela, Joshua, and Ariel—and the amma (grandma in Icelandic) to Sophie Redd. She balances work with occupations such as cross country skiing, kayaking, photography, and travel.

Laela Jacobs, OTR/L, received her degree in occupational therapy from Florida Agricultural and Mechanical

University, Tallahassee, FL. She practiced as the rehabilitation coordinator/manager at Maples Rehabilitation and Nursing Center in Wrentham, MA for the past 8 years and continues to work for Therapy Resources Management. Laela has expertise in reimbursement and vestibular, neurological, and orthopedic rehabilitation.

Laela and her husband, Craig Simon, are the proud parents of Sophie Redd, born May 21, 2008. Laela's interests include travel, theater, and spending time with her family.

Users Review
