### Stepbrother's Rules (Forbidden Firsts Book 4) By Mila Loveline

Sometimes, doing the right thing is overrated. My whole life I'd done what I was supposed to—study hard, get into college, remain a virgin. But after one eye-opening night with my stepbrother (a night that took care of the whole virgin thing), I began to question everything I thought I knew.

Adrian and I could never be together. Ending things was for the best. If only it were that easy to listen to my head over the racing of my heart. After two months away at college, I was coming home for Thanksgiving. Seeing Adrian again should've been a sweet reunion between stepsiblings, except that I wouldn't be alone—I was bringing my new boyfriend.

*Stepbrother's Rules #4 is a forbidden erotic novella that can be read as a standalone, but it's recommended that you start with *Forbidden Firsts #1*. Intended for readers 18 & over. 17,000 words.*
