--- You don't fuck with the club president's son. ---

**Tooth.** Vice President of the Coffin Nails Motorcycle Club. On a neverending quest for vengeance. The last thing he needs is becoming a permanent babysitter for a male hooker.

**Lucifer.** Fallen. Lost. Alone.

After a childhood filled with neglect and abuse, followed by his mother's suicide, Lucifer set out into the world alone. There was nothing for him out there other than taking it one day at a time. As the bastard son of the Coffin Nails club president, Lucifer never got much fatherly love. So when the Nails show up at the strip joint Lucifer works in, the last thing he expects is to be put in the custody of Tooth, the Nails Vice President famous for his gruesome interrogation techniques. The man proves to be the sexiest beast Lucifer has ever met. He's also older, straight, and an itch Lucifer can't ever scratch.

Tooth's life came to a halt twelve years ago. His lover got brutally murdered, police never found the perpetrators, and all leads were dead ends. To find peace and his own justice, Tooth joined the Coffin Nails, but years on, he's gotten nowhere with the case, yet still lives on with the burning fire for revenge. Babysitting a deeply scarred teenager with a talent for disappearing is the last thing on his bucket list. He promised himself to never get attached to someone like him again. To make sure the openly gay boy is safe in the clubhouse, Tooth is stuck keeping an eye on him. The big, blue, attention seeking gaze is drawing Tooth in, but fucking the president's son is a complete no-go, even when both their feelings go beyond lust.

What Tooth doesn't know is that Lucifer might hold the key to the closure Tooth so desperately needs.

#### About the Author

K. A. Merikan is the pen name for Kat and Agnes Merikan, a team of writers, who are taken for sisters with surprising regularity. Kat's the mean sergeant and survival specialist of the duo, never hesitating to kick Agnes's ass when she's slacking off. Her memory works like an easy-access catalogue, which allows her to keep up with both book details and social media. Also works as the emergency GPS. Agnes is the Merikan nitpicker, usually found busy with formatting and research. Her attention tends to be scattered, and despite pushing thirty, she needs to apply makeup to buy alcohol. Self-proclaimed queen of the roads. They love the weird and wonderful, stepping out of the box, and bending stereotypes both in life and books. When you pick up a Merikan book, there's one thing you can be sure of – it will be full of surprises.
