### About the Author

**Paul Marshall Allen** (1913–1998) was an authority on the life and work of Rudolf Steiner and, as the “first American-born anthroposophic lecturer,” was a leading pioneer of Rudolf Steiner’s spiritual science across North America. He edited and wrote introductions for numerous books on Anthroposophy and spiritual wisdom, including his classic work, *A Christian Rosenkreutz Anthology* (1968), and wrote *Vladimir Soloviev: Russian Mystic* (1968). With his wife Joan deRis Allen, Paul coauthored *Francis of Assisi’s Canticle of the Creatures* (1996); *Fingal’s Cave, the Poems of Ossian, and Celtic Christianity* (1999); and *The Time Is at Hand!* (1995).

**Carlo Pietzner** (1915-1986) was born in Vienna. As an art student, he was introduced to anthroposophy and Dr. Karl König, founder of the international Camphill movement for children and adults in need of special care, which led Pietzner to help further the work of Camphill in Northern Ireland and the U.S. His artistic efforts have ranged from stained glass murals and paintings to novels, and drama. He served the Anthroposophical Society in America and was known internationally for his many lectures and his consulting work.
