Editorial Review

Review

“This is an excellent choice to read aloud to the whole family. It's funny, exciting, and briskly paced. Best of all, the message it gives young readers is that a person's flaws-being late, breaking things, etc.-can sometimes turn into useful talents.” *?Nancy Pearl on NPR'S Morning Edition*

“A happily action-packed romp, with just the right amount of repartee between Alcatraz and his cantankerous teenage protector Bastille, and a cliffhanger ending that promises more of the same. Plus dinosaurs in tweed vests. Who could ask for more?” *?Horn Book*

“In this original, hysterical homage to fantasy literature, Sanderson's first novel for youth recalls the best in *Artemis Fowl* and *A Series of Unfortunate Events*.” *?VOYA*

Without its excellent narrator, ALCATRAZ would be farfetched, even ludicrous. Thanks to Charlie McWade, however, the improbable autobiography of Alcatraz Smedry is a smart-aleck fantasy that listeners will relish. Smedry's special gift, breaking things, helps him battle the evil librarians who hold society captive. The unique voices McWade creates for each character keep the dialogue crisp, as do his superior timing and delivery. In particular, the unreliable Alcatraz's sarcastic asides arrive with snort-out-loud humor. When the story gets crazy, McWade pulls listeners back in with a witty crack that will have them searching for missing continents, British dinosaurs, and librarian conspiracies. This is an original offering for the adventure-seeking. C.A. © AudioFile 2008, Portland, Maine-- Copyright © AudioFile, Portland, Maine
