Desires Entwined: Book One

Artist James Bryant has forearm crutches in every color from rainbow for fun to sleek black for business. He even has a pair with more paint splatters than metal. After his family's rejection and abuse from a man he thought loved him, James only just gets through the day by painting. He lives in constant fear that he's not worthy of anything, let alone love.

As CEO of his company, Carrington Enterprises, Seth Burns is a take-charge kind of guy, and he is instantly smitten by the artist helping with his newest project. When he witnesses James suffer a panic attack, a protective instinct he never knew he had kicks in. He truly believes nothing is unobtainable—including James—if he's willing to put in the time and effort.

James is shy and confused by Seth's interest in him as a person. With Seth's support, can he work through his fears to finally find the true love he deserves, or will someone finally land the crushing blow he won't survive?
