Guest At the Mouth of the Womb:: A fibroid fable By Corrina Cop Rain McFarlane

Guest At the Mouth of the Womb addresses the fundamental question: why would a body grow something that is harmless but useless, and begins with the premise that so-called fibroids are neither harmless nor useless. Today these tumors in the uterus rank as the number one reason for hysterectomy in the USA and the UK, though categorized as "benign." An abnormal growth that leads to the loss of womb is not benign. "Fibroids", as they are called today, are identified in a Chinese scroll dated 100 BC specifically: "Cold Qi is a guest at the mouth of the womb." Cold Qi ('chee') is stagnant frozen energy which is, by nature, less than positive. But these growths embody a story that needs to be heard and told so that they do not come in vain. To engage with their presence as a 'guest' then is inspired. Since the least helpful thing we can bring to any bodily condition is a contracted fear state (at what will happen), we make a decision to bring a curious spirit of inquiry. And the grand journey begins...

Editorial Review

About the Author

Corrina was born in the British Isles of Scots-Irish lineage, and has resided in the San Francisco Bay Area for the past 25 years. During the 1980s in the UK she was editor of the National Journal of Hospital Play Staff and was published in Human Potential Magazine (U.K.). In the U.S. Corrina's poems, book reviews, and feature articles have appeared in Talking Leaves - (Journal of Evolving Ecological Culture), HopeDance (sustainable living), Patterns (Systems Thinking & Chaos Theory), and, in her local Santa Cruz community; Connection Magazine (alternative lifestyles), Epicenter (sustainable living) centerfold of Santa Cruz Comic News, Growing Up in Santa Cruz (monthly publication for families). Corrina is a human potential counselor, creator of 'soul songs', and has been performing weddings and other rites of passage little & big since 1991. She was a podcaster for the award-winning World Without Oil Alternate Reality Game, a TV host/moderator for the fourth annual Santa Cruz Industrial Hemp Expo, and was a longtime moderator for the 'fringe' presenters at the annual Ecological Farming Conference at Asilomar, Pacific Grove, California. Corrina has served in her Community on the board of the Restorative Justice Program for first time offenders (nationally acclaimed Santa Cruz Probation Department initiative). She is a founding member of WomenRise for Global Peace, and serves on the 1000 Hummingbirds Women's Council; All Women, All Nations for the Waters of the Earth.

Users Review

From reader reviews:

Donna Sedillo:

This book untitled Guest At the Mouth of the Womb:: A fibroid fable to be one of several books this best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit upon it. You will easily to buy that book in the book store or you can order it via online. The publisher with this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smartphone. So there is no reason to your account to past this book from your list.

Harry Dwyer:

A lot of people always spent all their free time to vacation or maybe go to the outside with them family or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, or playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a new book. It is really fun for you personally. If you enjoy the book which you read you can spent all day long to reading a publication. The book Guest At the Mouth of the Womb:: A fibroid fable it doesn't matter what good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In the event you did not have enough space bringing this book you can buy typically the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not to cover but this book provides high quality.

Concepcion Bass:

Guest At the Mouth of the Womb:: A fibroid fable can be one of your starter books that are good idea. We recommend that straight away because this reserve has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The article writer giving his/her effort to set every word into joy arrangement in writing Guest At the Mouth of the Womb:: A fibroid fable but doesn't forget the main level, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information may drawn you into brand-new stage of crucial contemplating.

Michael Spicer:

This Guest At the Mouth of the Womb:: A fibroid fable is great publication for you because the content which is full of information for you who all always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great arrange word or we can claim no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Guest At the Mouth of the Womb:: A fibroid fable in your hand like obtaining the world in your arm, facts in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen minute right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. occupied do you still doubt that?
