Management (Barron's Business Review Series) By Patrick J. Montana Ph.D., Bruce H. Charnov Ph.D.

Many teachers of college-level business courses use titles in *Barron's Business Review Series* as textbook supplements to illustrate practical examples of business situations. The books also make excellent main texts in adult education and business brush-up programs. In addition to detailed analyses of today's business practices, these books include review questions with answers. The authors of this book describe and appraise several contemporary trends and techniques employed in company management, with reference to businesses of various sizes. The strengths and weaknesses of each method is reviewed.
