From the Back Cover

"I rarely recommend books. However, this one needs to be put before the public. In Lauren's story lies a tremendous ministry to individuals caught in abuse."

--Hal Lindsey

As a child, Lauren Stratford lived the agony of being trapped between two worlds-the outside world of school, church, and friends, where everything appeared normal, and the inner world of a twisted, satanic nightmare, where mind control, fear, and ritualistic child abuse were her constant companions.

Satan's Underground is Lauren's true story, and it is perhaps the most shocking, terrifying, unforgettable story of satanic manifestations ever told. Readers from coast to coast will be shocked and disturbed by the story told here. But most of all, they will come to care deeply for the many thousands of innocent children who are faced with unspeakable horrors at the hands of modern-day satanists.

#### **WARNING:**

The portrayal of evil in the book, though substantially restrained, may be difficult emotionally for some to handle. Reader discretion is advised.

#### **About the Author**

A survivor of sexual abuse, satanic ritualistic abuse, and child pornography, Lauren Stratford was asked regularly to advise law enforcement officials, mental health professionals, and parents of abused children on the devastating effects of these atrocities which are difficult to believe but continue to grow in our country. Agencies such as the National Center for Missing and Exploited Children, the Cult Crime Impact Network, and the National Coalition Against Pornography have used Ms. Stratford's expertise and experience in recognizing satanic ritualistic abuse.
