The Mammoth Book of How it Happened - America By Jon E. Lewis

Hear the cannon roar at Valley Forge with George Washington, dance the night away at a Chicago Speakeasy during Prohibition, take a ringside seat for the gunfight at the OK Corral, ride Apollo 11 to the moon, hear Martin Luther King's 'I Have a Dream' speech, join with Harry S. Truman on the A-bomb deliberations, land with John Smith at Virginia, ride against Custer at Little Horn, get on down to Jimi Hendrix at Woodstock, march to 'The Grapes of Wrath' at Shiloh, work your fingers to the bone at Henry Ford's car plant . . . this is America - the beautiful, the powerful, the tragic, the glorious.

The Mammoth Book of How It Happened: America is the story of the making of America in the very words of those who were there, from its 'discovery' by Christopher Columbus to George W. Bush's War Against Terrorism. Composed of firsthand eye-witness accounts of the seminal moments in US history, this is an intimate, revealing, insightful guide to the greatest nation on earth.

In five chronological sections, this volume tracks the main phases of American history: Discovery, including the exploration and settlement of America; Independence, the Revolution and wars against British rule; Destiny, covering expansion into the West and the split between North and South; Frontier, including the settlement of the American West and the Indian Wars; and finally Century, the 100 years that saw America becoming a superpower on the world's political stage.

Users Review

From reader reviews:

Jocelyn Welch:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each publication has different aim or perhaps goal; it means that publication has different type. Some people really feel enjoy to spend their time to read a book. These are reading whatever they consider because their hobby is usually reading a book. Think about the person who don't like studying a book? Sometime, man feel need book if they found difficult problem or perhaps exercise. Well, probably you'll have this The Mammoth Book of How it Happened - America.

Valerie Herrera:

What do you regarding book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question simply because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this The Mammoth Book of How it Happened - America to read.

Louise Perez:

Exactly why? Because this The Mammoth Book of How it Happened - America is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

Mary Varnum:

Your reading 6th sense will not betray a person, why because this The Mammoth Book of How it Happened - America publication written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still uncertainty The Mammoth Book of How it Happened - America as good book not only by the cover but also by content. This is one e-book that can

break don't determine book by its handle, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.
