### The Passion of New Eve (Virago Modern Classics) By Angela Carter

I know nothing. I am a tabula rasa, a blank sheet of paper, an unhatched egg. I have not yet become a woman, although I possess a woman's shape. Not a woman, no; both more and less than a real woman. Now I am a being as mythic and monstrous as Mother herself . . . '

New York has become the City of Dreadful Night where dissolute Leilah performs a dance of chaos for Evelyn. But this young Englishman's fate lies in the arid desert, where a many-breasted fertility goddess will wield her scalpel to transform him into the new Eve.
