Adventure Tourism By Colin Beard, John Swarbrooke, Suzanne Leckie, Gill Pomfret

Looking at the past, present and future of adventure tourism, *Adventure Tourism: The New Frontier* examines the product, the adventure tourist profile, and issues such as supply, geography and sustainability. International case studies are used to illustrate these issues, including: gorilla watching holidays, trekking on Mount Everest, diving holidays, and Outward Bound packages.

Analysis of the development and nature of adventure tourism accompanies these studies, ensuring that the title is useful both for undergraduate and postgraduate students of tourism and for professionals involved in managing adventure tourism enterprises.

There is also a companion website with additional case studies to aid teaching and learning.

Editorial Review

Review

"Adventure Tourism: The new frontier' is an essential introduction to the adventure tourism sector for both tertiary students of tourism and professionals working in the tourism industry, as it offers a unique analysis of this fast expanding niche sector....The book will prove accessible to its non-academic audience, while providing a useful reference and first port of call for those researching in this sector and a textbook for tourism academics teaching undergraduate or postgraduate courses in this area."

-Tim Bentley, Department of International Business Massey, Aukland, New Zealand
