Editorial Review

From School Library Journal

Grade 1-5 This title offers clear, concise writing and large, bold, easy-to-follow instructions. Hart uses his typically simple shape-based, step-by-step methods to illustrate the large-headed denizens of the *chibis* genre. With just four wordless steps to a complete drawing, even young children will feel that they can create their own mini manga characters. *Steev Baker, Kewaskum Public Library, WI*
