**Fairest: The Lunar Chronicles: Levana's Story By Marissa Meyer**

**The #1 *New York Times* Bestselling Series!**

**Mirror, mirror, on the wall.  
Who is the Fairest of them all?**

Pure evil has a name, hides behind a mask of deceit, and uses her "glamour" to gain power. But who *is* Queen Levana? Long before she crossed paths with Cinder, Scarlet, and Cress in The Lunar Chronicles, Levana lived a very different story—a story that has never been told . . . until now. *New York Times*—bestselling author Marissa Meyer reveals the story behind her fascinating villain in *Fairest*, an unforgettable tale about love and war, deceit and death. This extraordinary book includes a special full-color image of Levana's castle and an excerpt from *Winter*, the exciting conclusion to The Lunar Chronicles.

### Editorial Review

From School Library Journal

Gr 8 Up—She loves fiercely and kills with little remorse; her iron grip over the Lunar people is equal parts impressive and terrifying. Queen Levana from "The Lunar Chronicles" (Feiwel & Friends) is more than a beautiful villain. In this prequel, Meyer explains how she went from lonely, shy second daughter to the most feared and relentless woman in the universe. Levana grew up in the shadow of her distant mother, Queen Jannali, and her vengeful older sister, Princess Channary. After the murder of their parents, Channary takes the crown and produces an heir, Selene. Having permanently assumed a glamour, or altered physical appearance, after a childhood "accident" caused by Channary resulted in a severe disfigurement, Levana coerces a widowed palace guard to marry her, bringing his young daughter Winter to the palace. Her older sister's unexpected death catapults Levana to the position of Queen Regent—but that isn't enough for the ambitious, entitled protagonist. Meyer successfully sketches in some humanity to Levana's actions. At times, her raw loneliness invokes short-lived sympathy, such as when Levana clings to a dented pendant given to her by her husband. Even if readers despise her, it is worth reading this interim background novel to gain insight into Levana's complex character. VERDICT Thorough world-building and fascinating character development will thrill fans and entice new readers.—Amanda C. Buschmann, Atascocita Middle School, Humble, TX
