**Going Deep: Boys of Fall** By Cari Quinn

***Two is hot...three is explosive.***

The last wedding former high school linebacker Colt Bennett attended was his own—to the woman his brother is now marrying. But tequila, romance and regrets make a bad combination, and the next thing he knows, he's half passed out in his ex's best friend's truck.

That Paige Wilcox hates the sight of him is incidental, right?

At least until Colt calls his best friend and business partner, Drake, to give him a ride home, and somehow the three of them end up in Paige's bedroom. There's absolutely no reason why he should consider having a threesome...

Other than he's been denying wanting both of them for months.

With Coach Carr on the mend and the rest of his high school football team back home, Colt's starting to find his true place in his hometown. Except now he's got even bigger problems than recriminations about the ex he's long over. He's falling for her best friend, and maybe even for his own...

*Oh, and boys—and a girl—touch in this book. A lot.*
