Hermelin the Detective Mouse By Mini Grey

Ratatouille meets **Sherlock Holmes** in this heartwarming story of mystery and adventure, acceptance and friendship, by the acclaimed creator of *Traction Man* and *Toys in Space*.

Hermelin is a special little mouse. He was born in a box of cheese and lives in an attic at 33 Offley Street. He can read books and type notes on his typewriter. Most importantly, Hermelin can solve mysteries. And the people of Offley Street are in need of a detective!

Again and again, Hermelin is on the case—the anonymous hero. But when his neighbors invite him to a thank-you party in his honor and find out who Hermelin *really* is—a *MOUSE!*—will he still be welcome on Offley Street?

Editorial Review

From School Library Journal

K-Gr 2—A wee white mouse has reading and typing skills that allow him to locate and return a series of missing objects on Offley Street. Hermelin (named for the cheese box in which he arrived), secretly leaves notes for the human residents, divulging locations of their misplaced treasures. When his message saves Baby McMumbo from the garbage truck, the residents throw a party in honor of their unknown benefactor. Then his identity is revealed, and their screaming departure banishes him to pest status. Luckily, young detective Emily admires his skills and offers him a partnership. This tale is rich in detail and plot. The cartoon drawings burst with witty features such as Hermelin's backpack. The hero's savvy and sweetness, along with Emily's pioneering, would make for fun sequels.—Gay Lynn Van Vleck, Henrico County Library, Glen Allen, VA

Starred Review This winning picture book opens with a scene of a tiny community of attached houses on Offley Street, where the residents and their pets are engaged in all sorts of activities simultaneously. Next, the narrator introduces himself. Hermelin, a charming white mouse, lives in an attic and enjoys typing messages on an upright typewriter. After reading on a notice board that his neighbors have lost a number of items, he quickly solves each case and also saves a baby from an untimely end. The residents gather to thank their unknown benefactor, but when the mouse appears, panic ensues. Downcast, Hermelin prepares to leave Offley Street, but a friendly neighbor offers him a better option. In both the precisely written text and the richly detailed mixed-media illustrations, this title offers a treasure trove of narratives, large and small. The colorful artwork is full of drama and inventive details, and while the double-page spreads are sometimes crowded, they are also dynamic, well structured, and satisfying. Some children will enjoy the challenge of solving the mini-mysteries using clues found in the illustrations, while others will be content to follow the adventures of the amiable mouse as his tale unfolds. An absorbing picture book with a small but worthy hero. Preschool-Grade 3. --Carolyn Phelan

“An absorbing picture book with a small but worthy hero.”

[The Horn Book](#) starred review, July/August 2014

“Every page holds treats and surprises in this tribute to neighborhood life, good deeds, and journalism.”

[Kirkus Reviews](#) starred review, June 1, 2014

“Grey brings her hilarious, cartoonish-yet-artful Traction Man sensibilities to this winsome story of the importance of transcending stereotypes, especially when it comes to mouse detectives.”

Users Review

From reader reviews:

Noemi Burns:

What do you think of book? It is just for students because they're still students or that for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has distinct
