Kidnapped #1: The Abduction By Gordon Korman

Gordon Korman offers another edge-of-your-seat action/adventure in a return to the trilogy format that sold more than 1 million copies of Island, Everest, and Dive.

It's every brother's worst fear: As Aiden and his sister Meg are walking home from school one day, a van pulls over and Meg is kidnapped. There's no way for Aiden to stop it from happening. He's the only witness to his sister's disappearance.

Why has Meg been kidnapped? Is it for ransom? As a vendetta against Meg and Aiden's parents? Or is there an even bigger conspiracy at work?

While Meg fends off her kidnappers and plans an escape, Aiden must team up with the FBI to try to find her--tracking down clues only a brother could recognize.

Editorial Review

From School Library Journal

Grade 4-6-Fifteen-year-old Aidan and his sister Meg, 11, are trying to become accustomed to a normal life after being fugitives hunted by the FBI while their parents were in prison for a crime they didn't commit. In the last two books of Gordon Korman's *On the Run* series (*Public Enemies, Hunting the Hunter*) the parents were framed for aiding terrorists, but there are still a lot of people who consider them traitors. In the first book (Scholastic, pap. 2006) of Korman's new series, Meg is kidnapped on her way home from school, and Aidan barely escapes capture. In order to find Meg, the family must cooperate with the FBI, the same individuals who wrongly incarcerated the parents. Months of near-death escapes and evading the police have made Meg and Aidan exceptionally resourceful and quick-thinking teenagers. Meg tries everything she can to escape her captors, while Aidan does what he can to find his sister, even going alone to deliver a \$2 million ransom to the captors. The action-packed story ends with Meg held captive in a car trunk. The book is well narrated by Christie Moreau as Meg and Andrew Rannels as Aidan. Listeners will eagerly await the next installment of this adventure that features lots of action and brave, believable characters.—*Teresa Wittmann, Westgate School, Edmonds, WA*

From [Booklist](#)

Gr. 4-7. From the very first page, the action is nonstop in this breathless thriller, the first book in Korman's *Kidnapped* series. Meg, 11, is abducted on her way home from school. Her brother, Aiden, 15, works with the FBI to find her and deliver the ransom money. In the meantime, Meg fights back with muscle and wit, even managing to sneak out an SOS letter. The hurtling plot, with mysterious meetings and high-tech surveillance, shifts between the two kids' viewpoints. As the first book in the *Kidnapped* series, this doesn't end with a rescue, and the references to what happened before this story actually begins (the kids' parents were framed for aiding terrorists and the kids survived as fugitives) are a bit confusing. Still, even reluctant readers will be asking for the second book, *The Search*, which is also now available. *Hazel Rochman*
