## **Mystery Suspense Collection (6 in 1)**

### **Book One: A Classic Case of Murder**

Ben and Mark, from the Clements Police Department , are investigating a pretty classic case of murder. Carrie Wellington, a famous writer, was murdered in her own car. What a tragic loss! She was such a nice woman, kind and generous! Who would think she'd end up strangled with ...a guitar string?

Carrie was surrounded by a small group of close friends. And the Detectives will be meeting them one by one. Cynthia Lockhart – her best friend forever. Melissa Gilmore – not so much the best, but definitely a good one. Jackie something with a lot of tattoos and bright pink hair. And Tucker – a lily-livered weakling. All of them seem to be really devastated.

### **Book Two: Memory Bites**

A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and

getting in his first fight. And, as he grows closer to his strange friend more changes keep coming.

The sickly boy grows to be a strong, handsome and successful doctor, full of unlimited promise. But, the only thing he can focus on is how he feels about the woman of his dreams. Like most young couples, they face obstacles to their happiness but how many of those other couples can include the fact that one of them is a very old, natural born vampire?

### **Book Three: Memories Bite Harder**

Annalisa's quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence.

The lovely ghost vampire that he had fallen in love with to the point of nearly throwing away his entire career after being rejected by her was a child killer.

### **Book Four: Memories Fade in the Light of Love**

The last book in the Memories Bite series finds Peter Purcival Prescott facing down not only an enemy that he might not be equipped to handle but some information from his past that might be equally difficult to deal with. His mother has been hiding a good bit from him beyond the identity of his father and it all comes bubbling up partially during a lucid dream/memory exploration session and then through a final confrontation where Peter faces the strangest and most dangerous of family reunions ever.

### **Book Five: Rounding Up the Mavericks**

When Josephine Ann Clemente is forced to travel from Virginia to Texas by train to meet the man her father has arranged for her to marry, she soon finds out that Texans can sometimes be too much to handle. When she meets a nosy traveler named Emmet Stone, she spends the remainder of her journey trying to avoid him. Little does she know, however, that he will soon cross her path again.

Josephine, not one to let one bad apple ruin the bunch, decides to overlook her run in with Emmet and focus on who really matters – her fiancé, Donovan.

Josephine isn't quite sure how she is going to adjust to Donovan's ranching way of life, but she gives it her all. When she is flung headfirst into the kind of emergency situation she feared though, Josephine quickly learns that in Texas you should always go prepared for the unexpected!

## **Book Six: The Art of the Kiss and Other Mysteries**

Dianna seemed to be an ordinary girl back in junior high. But there was something people didn't know about her. Some sort of a secret she unraveled years later – her life was completely changed by...two kisses. As simple as it may sound, those kisses determined her life once and forever.
