Night School: A Jack Reacher Novel By Lee Child

#1 NEW YORK TIMES BESTSELLER • The incomparable hero of *Jack Reacher: Never Go Back* takes readers to school in his most explosive novel yet. After eleven straight global #1 bestsellers, discover the thrillers that *The New York Times* calls “utterly addictive.”

Don’t miss a sneak peek of Lee Child’s new novel, *The Midnight Line*, in the back of the book.

It’s 1996, and Reacher is still in the army. In the morning they give him a medal, and in the afternoon they send him back to school. That night he’s off the grid. Out of sight, out of mind.

Two other men are in the classroom—an FBI agent and a CIA analyst. Each is a first-rate operator, each is fresh off a big win, and each is wondering what the hell they are doing there.

Then they find out: A Jihadist sleeper cell in Hamburg, Germany, has received an unexpected visitor—a Saudi courier, seeking safe haven while waiting to rendezvous with persons unknown. A CIA asset, undercover inside the cell, has overheard the courier whisper a chilling message: “The American wants a hundred million dollars.”

For what? And who from? Reacher and his two new friends are told to find the American. Reacher recruits the best soldier he has ever worked with: Sergeant Frances Neagley. Their mission heats up in more ways than one, while always keeping their eyes on the prize: If they don’t get their man, the world will suffer an epic act of terrorism.

From Langley to Hamburg, Jalalabad to Kiev, *Night School* moves like a bullet through a treacherous landscape of double crosses, faked identities, and new and terrible enemies, as Reacher maneuvers inside the game and outside the law.

Praise for *Night School*

“The prose is crisp and clean, and the fighting is realistic. . . . This latest installment has all the classic ingredients: a great setting (Hamburg), a good

villain, and a mystery that draws you in efficiently, escalates unpredictably, and has a satisfying resolution.”—***The New Yorker***

“Another timely tour de force . . . The taut thriller is textbook [Lee] Child: fast-paced and topical with a ‘ripped from the headlines’ feel.”—***Minneapolis Star-Tribune***

“As gripping as ever.”—***The Florida Times-Union***

Praise for #1 bestselling author Lee Child and his Jack Reacher series

“Reacher [is] one of this century’s most original, tantalizing pop-fiction heroes.”—***The Washington Post***

Editorial Review

Amazon.com Review

An Amazon Best Book of November 2016: Last year's Reacher book, *Make Me*, ended on a minor medical cliffhanger which I, for one, was looking forward to seeing resolved this Fall. But author Lee Child isn't giving up the goods so easily. Instead of picking up where that book left off, he takes Reacher back in time to 1996. Still in the Army, Reacher is coming off a medal-earning career triumph when he is sent back to school. His three-man class (Reacher, a CIA guy and an FBI agent) however, is a front for a secret mission: figure out the plot behind a message intercepted in Germany which reads "the American wants 100 million dollars." The good news for fans is that all the familiar elements show up in *Night School*: the words "Reacher says nothing" appear at least half a dozen times, and as usual, Reacher combines mechanical precision and brute strength to beat up bad guys with a degree of violence falling somewhere between Bruce Lee and a backhoe. Best of all, fan-favorite Sergeant Frances Neagley makes a welcome reappearance, riding shotgun with Reacher as he hunts for his quarry. Is the plot as robust and impressive as our hero? Not entirely, but readers will barely notice. Twenty-one books into this series it's clear that what makes them work as well as they do is the joy of watching Reacher's extraordinary powers of deduction working in tandem with his remarkable ass-kicking abilities. On that front, Child delivers as usual. --*Vannessa Cronin, The Amazon Book Review*

Review

"The prose is crisp and clean, and the fighting is realistic. . . . This latest installment has all the classic ingredients: a great setting (Hamburg), a good villain, and a mystery that draws you in efficiently, escalates unpredictably, and has a satisfying resolution."—*The New Yorker*
