A reliable and readable guide to India's stop-start economy --The Economist

About the Author

Mihir S. Sharma was born in Delhi and grew up in Chandigarh, Mumbai, Jamshedpur and in Kolkata. He was trained as an economist and a political scientist before dropping ignobly out of academia. Like many others unable to concentrate on any one thing long enough to write a dissertation, he drifted from one thing to another till he found the closest thing to paid unemployment in a capitalist society-journalism. He now writes and edits opinion for the Business Standard newspaper in New Delhi.
