The Oath By Frank E. Peretti

An ancient sin. A long forgotten oath. A town with a deadly secret.

Something evil is at work in Hyde River, an isolated mining town in the mountains of the Pacific Northwest.

Under the cover of darkness, a predator strikes without warning—taking life in the most chilling and savage fashion.

The community of Hyde River watches in terror as residents suddenly vanish. Yet, the more locals are pressed for information, the more they close ranks, sworn to secrecy by their forefathers' hidden sins.

Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed. What the town discovers is something far more deadly than anything they'd imagined. Something that doesn't just stalk its victims, but has the power to turn hearts black with decay as it slowly fills their souls with darkness.

Editorial Review

Amazon.com Review

Under cover of darkness, something evil is at work in Hyde River, an old mining town deep in the mountains. Its latest victim, nature photographer Cliff Benson, was brutally killed while camping -- and his wife Evelyn has been driven nearly mad by what she saw, but she can't remember what it was. The sheriff thinks a rogue bear killed Cliff. But townspeople whisper -- and Cliff's death is just the latest in a long string of bizarre "accidents." Cliff's brother Steve is determined to find out the truth about what's concealed in the old caverns near Hyde River, a mystery that the local folk legends only hint at.

From Booklist

A wildlife biologist named Steve Benson has come to the remote mountain town of Hyde River to investigate the gruesome death of his brother. Benson tracks down and kills a grizzly, but then more people are killed and the bears are exonerated. Benson begins to listen with seriousness to the ravings of an old hermit who says that there's a dragon who lives in Saddlehorse Mountain and who lives on sin. It seems that in the 1880s, when Hyde River was a booming mining town, a fire-and-brimstone preacher was hanged, and the perpetrators then signed an oath embracing Reason as their god. In more than 100 years, their sins have grown into a monster. Steve tracks the chimerical dragon, which toys with him and lets him go. Steve is the embodiment of reason but feels the weight of sin when he begins an affair with a married woman, a local deputy named Tracy. A red mark appears over his heart, and gradually it begins to ooze black slime. Judgment Day arrives, and the dragon comes to claim its own. Steve, at last a believer, stands alone to do battle, rather like Bilbo Baggins of *The Hobbit*, except that Peretti writes with a grim fervor rather than playfulness. Largely because of the success of *This Present Darkness* (1987), Peretti's name inspires awe in the religious publishing world; *The Oath* is so heavily anticipated that its prepublication sales placed it fifth on the Evangelical Christian best-seller list. *John Mort*

About the Author

Frank E. Peretti es el destacado autor de Esta patente oscuridad, publicado por Editorial Vida. El y su esposa Bárbara residen en la costa pacífica del norte de los Estados Unidos.

Users Review

From reader reviews:

Jerry Brock:

The book The Oath give you a sense of feeling enjoy for your spare time. You may use to make your capable a lot more increase. Book can to get your best friend when you getting strain or having big problem along with your subject. If you can make examining a book The Oath for being your habit, you can get considerably more advantages, like add your personal capable, increase your knowledge about a few or all subjects. You could know everything if you like start and read a guide The Oath. Kinds of book are several. It means that, science guide or encyclopedia or some others. So , how do you think about this e-book?

Vicki Shah:

Here thing why that The Oath are different and reliable to be yours. First of all studying a book is good

however it depends in the content of computer which is the content is as yummy as food or not. The Oath giving you information deeper including different ways, you can find any book out there but there is no publication that similar with The Oath. It gives you thrill reading through journey, its open up your eyes about the thing this happened in the world which is probably can be happened around you. You can bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the branded book maybe the form of The Oath in e-book can be your alternate.

Kim Townsend:

Do you one among people who can't read pleasurable if the sentence chained from the straightway, hold on guys this aren't like that. This The Oath book is readable by you who hate the straight word style. You will find the info here are arrange for enjoyable reading experience without leaving even decrease the knowledge that want to deliver to you. The writer connected with The Oath content conveys objective easily to understand by most people. The printed and e-book are not different in the information but it just different in the form of it. So , do you nonetheless thinking The Oath is not loveable to be your top collection reading book?

Alexandria Sharp:

That book can make you to feel relax. This particular book The Oath was colourful and of course has pictures on there. As we know that book The Oath has many kinds or genre. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you and try to like reading in which.
