Burning Ember: Harbingers of Chaos, Volume 1 By Darby Briar

The last thing she needs after running from one monster is to land in the lair of the devil.

Twenty-one-year-old Ember flees her past with soot on her face, ash in her hair, and a promise. She'll never let another man take away her freedom and treat her like she means nothing. But that is exactly what Maverick Gunn, leader of the notorious Harbingers of Chaos motorcycle club, seeks to do from the moment his lethal gaze locks on her. He burns her with every look. Every touch. Every word. Ember's only hope is to convince him she's nothing like the woman who blackened his soul before he drags her down into the darkness with him.

Warning: for a mature audience, 18+. Contains adult sexual situations and language.
