### DNA in the Sands of Time By J. Justice

This book is spiritual dynamite. The information within it has the potential to create a firestorm of spiritual, religious and political controversy. It will shatter the frozen concepts of what the human race thinks it knows about itself, it's history, DNA and the human brain.

This book will warm you heart and chill your bones at the same time. Some will become angry, denying it's truth, others will rejoice over it's revelations while it will rock the foundation of traditional belief systems. It will stretch your mind to the point you cannot go back to your old way of thinking about life. It will stir your imagination and emotions, not allowing your mind to rest. Hidden truth and unknown knowledge of the human race is revealed about it's true purpose, creation and evolution. You will meet your Gods, Creator, your local Satan, the first Savior of the human race and your future Destiny. A hidden group influencing your life today without your knowledge is exposed. A frightening warning is also given from the Spiritual Realm as the world is blindly heading toward an irreversible disaster. You have the privilege to view the unknown bigger picture of your past as it actually happened and your present as it is now happening.

Today's greatest question, "Is there alien life out there in the universe?" will be answered. You will also discover, humans are an experiment and the experiment is over. Are you ready to receive a higher knowledge and learn about yourself? Inside this book is the untold and unknown rest of the story. It comes from the Akashic Records, known to many as the Book of Life, often referred to, as the Book of the Final Judgement of the Human Race. This is the first time recorded history from the Akashic Records will be directly revealed to the human race. It will answer some of the greatest Questions and Mysteries of Science and Religion about the past, present and future.

You will quickly come to realize, life is not what you think it is. For the spiritually awake, you will find a clear understanding about the End Times and the immediate upcoming event called the Ascension. The knowledge to know how to ascend and why you may want to, is actually a complete guide to Ascension. The information given is complete, nothing is missing. You now have the knowledge to understand the mystery of life. This is a life changing book.

### Editorial Review

### Users Review

#### From reader reviews:

##### **Alvin Pryor:**

What do you consider book? It is just for students as they are still students or the idea for all people in the world, the actual best subject for that? Simply you can be answered for that query above. Every person has various personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great and also important the book DNA in the Sands of Time. All type of book can you see on many solutions. You can look for the internet methods or other social media.

##### **Thomas Welty:**

In this 21st one hundred year, people become competitive in every way. By being competitive right now, people have do something to make them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yes, by reading a book your ability to survive boost then having chance to stand up than other is high. To suit your needs who want to start reading a book, we give you this particular DNA in the Sands of Time book as basic and daily reading e-book. Why, because this book is usually more than just a book.

##### **Arnulfo Walls:**

Playing with family in a park, coming to see the ocean world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love DNA in the Sands of Time, you could enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't have it, oh come on its called reading friends.

##### **Ivan Dinkel:**
