### In the Beginning (Volkov Bratva Book 1) By London Miller

Lauren Thompson didn't mean to fall for his charm ...

Not for the smile that promises trouble, and definitely not for the tattoos with meanings she doesn't understand, but when she falls, she falls hard.

Passions ignite and the line between good and bad blurs ...

But Mishca Volkov isn't what he seems.

As the son of a Russian Mafia boss, he thrives in a world of chaos and fear, earning the title of Bratva Captain through blood and pain.

The more he tries to bury his secrets, the more Lauren's suspicions arise.

Love was supposed to be easy, but fate has other plans.

*Series is now complete!*
