Onslow Boys Boxed Set (The Summer Series) By CJ Duggan

For the first time in one collection

The ONSLOW BOYS Boxed Set

This SUMMER fall in love with an ONSLOW BOY

INCLUDES EXCLUSIVE FOREVER SUMMER TEASER CHAPTERS.

STAN

Stan Remington is the go-to man; what he doesn't know about Onslow means one of two things: it doesn't exist or it hasn't happened yet.

The wild and annoying doctor's daughter spends her summer family holidays at Remington's Caravan Park, and normally she's not Stan's problem. But then she sabotages his planned weekend escape. Now Stan finds himself not only caretaking the caravan park on his own, but also responsible for Bel.

Just the two of them. Under the one roof. For one long, long weekend.

MAX

Melanie Sheehan didn't set out to be a liar, but her last lie landed her in big trouble. Now Mel must suffer a harsh consequence – she's not allowed out of her father's sight.

Max, the new head barman at the Onslow Hotel, is the one boy Mel has been crushing on since forever. At a time when Mel plans to go on the straight and narrow, she is about to tell the biggest lie of all. Will Max be able to handle the fiery farm girl or should he be considered the last boy in Onslow to trust?

RINGER

Ringo 'Ringer' James has a no-strings-attached policy.

Love them, leave them, and remain the eternal bachelor.

After a summer in which every one of his mates has succumbed to settling down, or so it seemed, Ringer is on the lookout for a quick exit. Having had enough of the stomach-turning love fest witnessed over the past three months, Ringer jumps at the opportunity to help out his mate, Max, by heading to Max's dad's property for a working holiday.

It's just what he's looking for. A remote, dusty homestead in Ballan, with only hard work, a cold beer and a comfy bed to worry about – no women.

Until Miranda Henry.

The privately educated daughter of his boss has returned home from overseas and things are about to get very complicated, very fast.

Warning: sexual references, and occasional coarse language.
