## The Most Beautiful Little Girl In The World By Nancy Elizabeth Pharr

Every little girl is beautiful. As a little girl grows up, inevitably she finds another little girl prettier, smarter, healthier, wealthier, more athletic, etc. From a distance, a friend may seem to have it all. Feelings of inadequacy, jealousy, insecurity and even hate can then ensue. Teaching a little girl to look within her own heart, to know how valuable she is to the God who created her and to know God's love are great resources for life. Inner beauty, that comes from a close relationship with God, transcends any label that the world may give... When a little girl lets that inner beauty shine through, she will be "The Most Beautiful Little Girl In The World!" This is a wonderfully inspirational little book filled with delightful text and beautiful photographic images. This book will become a very special keepsake in a child's personal library. \*Age appropriate for birth - seven but may be enjoyed by children of all ages

### **Editorial Review**

#### **About the Author**

My name is Nancy Elizabeth Pharr, and I am a wife and mother of two children. I am a native Atlantan, and I received my BA in English Literature from Mercer University in Atlanta, GA in 1987. I always wanted to write a book, but it was not until a few years ago when my own children inspired me that I actually began writing children's books. An important aspect of my writing and my life is that I want to inspire my children, and all children, to be the best that they can possibly be - I know that with God's help, they can be. When I was a little girl, my mother taught me a little poem that went something like this, "Good better best, never let it rest, until the good is better and the better is best!" That little poem made a big impact on my life, and I always seem to go back to it in my mind... Drawing on that same premise, my desire is for my children's books to inspire little ones the way that poem inspired me years ago. I feel that children need to be made aware of, at an early age, the importance of setting priorities and keeping God first in their lives. My currently available books answer children's questions such as: (Who is) The Most Beautiful Little Girl In The World and When Should I Pray? with more books to come soon... These books make wonderful keepsake gifts, and although my books are age-appropriate for children from birth to seven, they are designed to inspire all children. I hope your child's life is brightened by reading my books. Thank you for your interest and always remember God loves you and your child!
