The Way of Men By Jack Donovan

What is masculinity? Ask 10 men, and you'll get ten vague, conflicting answers. Unlike any book of its kind, *The Way of Men* offers a simple, straightforward answer - without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. *The Way of Men* captures the silent, stifling rage of men everywhere who find themselves at odds with the overregulated, overcivilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.
