Wicked By Any Other Name By Linda Wisdom

Stasi Romanov uses just a little witch magic in her lingerie shop, running a brisk side business in love charms. A disgruntled customer threatening to sue over a failed love spell brings Trevor Barnes to town. Trevor's the best attorney around, and he just happens to be a wizard. Everyone knows that witches and wizards make a volatile combination—sure enough, the sparks fly and almost everyone's getting singed. Add to that Cupid playing a practical joke, a lunar eclipse that nearly precipitates a witch hunt, and some very mysterious goings on at the magical lake, and the feisty witch and gorgeous wizard have more than simply a possible lawsuit on their hands. Can they overcome their objections and settle out of court—and in the bedroom?

Lingerie shop owner Stasi knew she shouldn't put a repulsion spell in the sachet she sold to Carrie, even if she is the meanest man user in town. She expected Carrie to be mad, but a lawsuit in Wizard's Court? Her lawyer, Trevor Barnes, can try to get a settlement, but she intends to fight the suit—although she didn't plan on having to counter the way Trevor makes her tingle. Wisdom continues her series (50 Ways to Hex Your Lover, 2008; Hex Appeal, 2008) with new focal characters but the same wicked witchery; oddball, otherworldly supporting cast; and steamy relationships. --Nina C. Davis
