Beyond The Game: Sex, Money, and Power Immersed in the Player's Life

By Aukeyto A Mosley

It is not what you've been told or what you have seen on television. Everything you've been taught on the subject of attracting beautiful women is incorrect, toss it out of the window. If you want to attract and seduce beautiful women of the highest caliber, I can show you how to do that. If you want to live the rock star life, I can show you how to do that without a #1 record. You do not need to spend immeasurable hours in a studio or train your entire life to become an Olympic athlete. Nor must you have millions in the bank or spend years in school becoming a doctor or lawyer. What's required is a certain set of skills, a proven science, a sacred knowledge that has been forbidden to man. I have been around and seen the highest level players that are under the radar. You see these cats, and you know because they're always surrounded with beautiful women, they're always at the high level and you think that they're paid. But these motherf**kers, play with your mind, they play with your emotions. See, that's where they reside; they reside in the field of mind and emotion. They've mastered the Art of Mind and Emotions, and most of all, they've mastered themselves. Life is a Game. Immerse yourself in the Player's Life. "May You Never Be The Same Again"
