Blaze (The Firefighters of Darling Bay Book 1) By Rachael Herron

Her smoke detector won't warn her about this explosion...

From bestseller Rachael Herron, comes a book too delightful to put down: Grace is doing just fine--she doesn't need help, especially from a man whose very nickname is unhealthy. Tox Ellis is the hazmat expert at the Darling Bay Fire Department, and he knows what compounds to keep apart to prevent explosions. Why, then, can't he seem to stay away from Grace, the woman who seems to think he needs fixing? Is Darling Bay ready for the chemical reaction Grace and Tox generate whenever they're in the same place at the same time? And who will be standing by to put out the flames?

Rachael Herron seamlessly blends romance, friendship, and laughter. Barbara Bretton, USA Today Bestselling Author

This heartwarming, hilarious, and red-hot contemporary romance will leave you wishing for a marina view -- and a hot fireman -- of your very own. For a good time, pack this beach read on your vacation!

Relationships are at the heart of women's fiction, and Herron could teach a master class on creating them. Chicklit Central
