Dangerous Beauty: Part Three: This is War By Michelle Hardin

There was an attack, a gun, a deserted Russian road, and phone call. The Salerno Organization was attacked. Carterina was taken, and despite their best efforts, she was not saved.

Taken ... Carter was taken, and she could possibly be carrying his child. Seven days, and still no Carterina ... Seven days later, and Nathan still had no idea where his wife was.

To what lengths would a man go to get back the love of his life? Well if you're Nathan Salerno, you'll shake up the entire criminal underworld...

The love of his life has been taken, and imprisoned by none other than the man that killed his beloved mother, and after days of searching for his wife with no results, Nathan Salerno has finally reached his breaking point. Strategy, and patience have been abandoned and Nathan has chosen to embrace insanity. No one is safe from the hell that he has bestowed upon the underworld, and he has no plans of stopping until Carterina is returned to him safely.

But when an unexpected twist takes Nathan by surprise and brings the war to an abrupt stop, Nathan is faced with new challenges, a sudden change of direction, and the shock of a lifetime ...

Carterina Salerno is stunned. Frozen in time, and unable to move. All she remembers was being brought to the castle, being locked in a room for four days, and then she was here ... completely immobile, and staring into a pair of hazel-green eyes identical to her own. Even as the sound of her biological father's yelling drew closer, she stood still... Who is he? Where did he come from? And, why the hell does he look so much ... like me?

The action-packed love story of a Mafia boss's son and a hit-man's daughter has finally reached the point where things come full circle. Lingering Question are finally answered, hidden secrets are revealed, new journeys are embarked upon, and new romances are on the horizon. The size of TWO full length novels, Dangerous Beauty Part Three: This is War is packed with action, romance, humor, and jaw-dropping drama that will surely keep you on the edge of your seat.

Nathan and Carter's saga comes to an epic, and beautiful end in book three of the Dangerous Beauty Series. Nathan's ascension to power hits a new height while Carter's own rise to power just begins. With all of their new responsibility both at work and at home, Nathan and Carter work together to try and find a balance, while simultaneously fighting an unpredictable war with the relentless and clinically insane, Silas Steele.

About the Author

Born and raised in Missouri, I am a dreamer with an active imagination. I am in my 20's and have a bachelor's degree in Psychology. My dream is to one day make a mark in this world. I have a big heart, and even bigger smile, and I love to read a good story. A perfect evening for me would include a glass of wine, chocolate, and a romance novel on my kindle. I have an overactive imagination and enjoy putting together a good story with raw emotion and shocking secrets.
