Kristie has finally graduated from college. With a new boyfriend in tow, Gray's rival, Armand, and moving back into her mother's house, it feels as if life might finally fall back into place. But Gray, the love of her life, happens to return after hiding out of town. He's been freed of being suspected of a murder he didn't commit and is now looking to reclaim glory in his gang, the Devil's Advocates, once again.

But both Kristie and Gray are in for surprises. People aren't always what they seem. Kristie struggles to work through her relationship problems with Armand while Gray struggles to fall back into a position of power in the life he left behind. As the two of them are drawn closer together, both must choose the life they want – with each other, or alone. No matter what they end up picking, the risks in their lives can end up costing the two of them everything.
