Praise for Direct Path to the CFA Charter:

“Investing time and effort in the Chartered Financial Analyst (CFA) Program is a wise decision for your future. Spending just a few days with this book is even wiser. Direct Path to the CFA Charter is overflowing with excellent advice that I wish I had known when I was in the CFA Program. If you’re looking for real advice on how to pass the exams the first time around, this book is the answer. Good luck!” –Michael Staruch, CFA

“Direct Path to the CFA Charter is truly a CFA candidate’s best friend and an indispensable guide at every CFA Level. This is not a conceptual, often inapplicable piece, written by a group of professional test takers or professors of finance. Instead, it provides an actionable, proven plan for tackling CFA exams by a CFA charterholder who is also a working professional, just like you and me. If you need straightforward, practical advice, this is the ideal guide for you.”

–Jason Huang, CFA

“Avoid struggling in the CFA Program and read this book instead. Direct Path to the CFA Charter is the ultimate book for anyone contemplating the CFA Program. It is woven together as an incredibly readable, clever book full of practical insights. As a potential or current CFA candidate, you will be glad (and relieved) that you discovered this book.” –Derrick Chapman, CFA
