**Far From Home (A Mangrove Island Novel Book 2)** By Neve Cottrell

*Pull up a beach chair and enjoy the fireworks on Mangrove Island in this contemporary romance series.*

Caspian Warwick, the Marquess of Pembroke, has been enjoying life on Mangrove Island, hosting lavish parties on his yacht and getting a taste of the local female flavor. When his old friend and political advisor arrives to woo him back to public office in England, they hatch a plan to rehabilitate his image, starting with his scandalous love life.

Public relations guru Rebecca Laughlin has fled to Mangrove Island from New York after a disastrous affair with her womanizing boss. She's sworn off charmers and takes an instant dislike to Lord Warwick. In desperate need of money, however, she agrees to help him resurrect his defunct political career by finding him a suitable wife that the public will adore.

No one can deny the heat between them ~ the heated arguments and hot tempers, that is. Will they embrace their feelings for each other or will they let their past dictate their future?

This book can easily be enjoyed as a standalone, but I also recommend getting to know the other residents of Mangrove Island ~
