Hey, Let's Make a Band!: The Official 5SOS Book By 5 Seconds of Summer

Hi everyone,

This book is pretty much our official story so far. It really does seem only like last week we played our first gig at the Annandale Hotel in Sydney. Since then we've been given the opportunity to turn into the people and musicians we wanted to be.

The people who gave us the opportunity were the fans. So this book is like a thank-you. We want everyone to know the story of how four western Sydney teenagers picked up their instruments and dreamed of being one of the biggest bands in the world. There are also some embarrassing photos of us derping around and some facts that some of us didn't even know. So we hope you enjoy it!

Love, cal, luke, ash, and mike x

Editorial Review

Review

"We've read the whole thing, cover to cover, 52 times already!" - Shout online "Theirs is an annoyingly interesting story, one for young girls to swoon over, young boys to emulate... and, happily, for parents to approve." - Weekend Sport "A fan-girl's dream" - New! mag "A Christmas must for any 5SOS fan." - Star magazine

About the Author

5SOS, as they are affectionately referred to by their ever-burgeoning fan base, first met in the schoolyard in a small town in the western suburbs of Sydney, Australia. Luke (18), Mikey (19), Calum (19), and Ash (20) were brought together by a mutual love of pop-punk and the adrenaline-fueled super rock of turn-of-the-millennium America.

They started posting videos on YouTube and within six months had amassed 50,000 Facebook fans, 100,000 Twitter followers, and more than 5 million YouTube views. The band relocated to London in September 2012 with one eye on world domination.

Fast-forward eighteen months, and, having spent 2013 and 2014 touring the globe, 5SOS released their debut album, which immediately reached #1 on iTunes in 71 countries and topped charts around the world, including the US Billboard chart. With more than 1.5 million albums sold worldwide and total single track sales in the US alone surpassing two million, it's been a busy year for 5SOS.

Users Review

From reader reviews:

Daniele Chambers:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their time and energy to read a book.
