The ultimate purpose of this training (eBook, PDF files, 3 in-depth video sessions) is to teach you how to start your online teaching business!

Howdy,

My name is Vladimir Raykov.

I'm a best-selling online instructor teaching over 34000 students and 40 online courses. I'm also the creator of STEP-BY-STEP TO YOUR FIRST 1000 STUDENTS program.

During the last year, I've been gathering the best techniques for creating an online course and I've put them into this free training that is intended especially for beginners.

I will completely reveal the exact 3-Step System for producing high-quality

courses that I used to reach 5 figures for my online teaching business, doing it part-time and without spending money on advertising.

HERE IS JUST A FRACTION OF WHAT YOU WILL LEARN FROM MY EBOOK AND FREE VIDEO TRAINING

- Top 7 reasons why you should create an online course that generates income.
- Top 7 (costly) mistakes beginner online instructors make and how to avoid them.
- The 3-Step System for producing online courses with the velocity of light.
- The top 4 mega-niches which are responsible for over 80% of the revenue generated by online instructors.
- How to structure and organize your course. More specifically, how to make an outline for your course and the most effective internal structure of ALL your lectures.
- All the tools (software) you will need to create products for your online teaching business of an utmost quality.
- 6 Steps of a lecture creation.
- The exact technical specifications for your video lectures.
- The microphone I use to record crystal clear audio files.
- How to get a professionally designed thumbnail for your course for free.
- How to write a winning title for your course – basic copywriting skills part 1.
- How to write a winning description for your course – basic copywriting skills part 2.
- The best platforms to launch your course as a self-published instructor and their business models.
- And much, much more!

THE BEST PART

- You don't need to have a website.
- You don't have to pay for advertising.
- You don't have to FILM yourself.
- You don't have to be a technical savvy.
- You don't have to worry about video hosting.
- You don't have to have a higher academic degree.
