Resist Me By Lucia Jordan

Here is the first book in the 'Resist Me' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion.

In college Cheyanne had a choice between dating either Mark or Brett, one a popular football player, the other mysterious, intimidating and aloof. In the end she chose Mark only to discover she would waste years of her life by the time she caught Mark cheating on her. Finally, she's gotten her life back on track and finds herself walking into the law internship of her dreams. But when she realizes the owner of this prestigious law firm, the man who is now her boss, is that same Brett from college, all the familiar feelings of attraction mixed with intimidation return. Brett is more formidable than ever, and just as mysterious and sexy as he was all those years ago. And when his deep desires are revealed to her, she finally understands the nervous tension he'd always manage to arouse in her. Is this the chance for Cheyanne to make up for the mistake she made back in college? And will she be brave enough to submit to Brett this time?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
