The Mogul's Reluctant Bride (Billionaire Brides of Granite Falls) (Volume 2) By Ana E Ross

Book Two: Will his fears cause him to lose the family he's grown to love so dearly? Following the deaths of her sister and brother-in-law, Kaya Brehna is awarded custody of their three children, and to avoid financial ruin, she must move them to Palm Beach where her successful career in interior decorating can provide financial security. Her plans are, however, thwarted by New Hampshire business mogul, Bryce Fontaine, who is determined to keep his godchildren in Granite Falls at all costs—even emotional blackmail. Ever since he lost his own family five years earlier, Bryce Fontaine has been a tormented soul. His godchildren are the closest thing to family he has, and he'll be damned before he let some corporate ladder-climbing stranger take them away from him. When a second will surfaces that changes both their plans, Bryce talks Kaya into a loveless marriage of convenience. One delectable nibble of Kaya's sweet lips, and Bryce is yearning for more of his sexy little bride. He gently entices her into his bed. But as she quickly learns to quench his physical desires, Kaya wonders if she has the power to free her husband's heart from the nightmares that plague it.
