Twintuition: Double Vision By Tia Mowry, Tamera Mowry

From actresses Tia and Tamera Mowry comes the story of tween twins Cassie and Caitlyn and their discovery that they have the ability to see things before they occur! This is the first book in the popular Twintuition series.

When their mother's new job forces them to move from bustling San Antonio to middle-of-nowhere Aura, Texas, Caitlyn tries to stay positive, focusing on meeting new people and having new adventures. Cassie, on the other hand, is convinced that it's only a matter of time until they'll be sick of Aura and ready to move back to the big city.

But being the new kids isn't their only challenge. The girls start experiencing strange visions, and they must work together to change the future before it can happen.

Tia Mowry-Hardrict and Tamera Mowry-Housley gained initial fame on the '90s sitcom *Sister, Sister*. Tia can now be seen starring in and producing the Nickelodeon series *Instant Mom* and on the Cooking Channel's show *Tia Mowry at Home*. Tamera is a host and producer on the hit daytime talk show *The Real*, currently airing on FOX. Together they've created a magical series about twin sisters with a powerful gift and an even stronger connection.

Editorial Review

From School Library Journal

Gr 3–5—Best known for their hit Nineties TV series, *Sister, Sister*, the Mowry twins now try their hand at kid lit, with a series about Cassie and Caitlyn Waters, identical twins with the ability to see visions. Told from the alternating perspectives of the two girls, this light and fluffy, if predictable, title is a heartwarming tale of sisterhood.

From the Back Cover

Cassie and Caitlyn Waters may be identical twins, but everything else about them is completely different. The only thing they can agree on is that neither of them is happy that they have to move to middle-of-nowhere Aura, Texas. Caitlyn tries to put a positive spin on getting a fresh start, but Cassie's busy plotting how to convince their mom they should move back to the big city as quickly as possible.

But being the new kids isn't their only challenge. As the girls' birthday nears, they start experiencing strange visions—and what they see starts coming true! Caitlyn and Cassie first use this new sight for their own fun, but when they each see something serious, the twins must work together to change the future before it can happen.
